

At Boogie Woogie we move, dance & sing! Our program encourages children to move freely and express themselves to the beat of songs and dances. We offer a treasure trove of props, sparking curiosity and imaginative play. From colourful ribbons to whimsical instruments, children have the opportunity to explore and interact, making each session an adventure. At Boogie Woogie, we understand that every child is on their own journey. Our sessions provide a fun and positive space for everyone to participate at their own pace, ensuring a memorable experience for all.

Boogie Woogie classes run in various locations south of the river, weekday mornings. Check out our *NEW* South Perth class! Join us at 9:30am Friday mornings (during the school term) at John McGrath Hall. Bookings can be made online through our website. There are no booking fees, no term enrolments, and no cancelations fees. Classes are casual and payments are only made on the day.
